The Flathead Home Educator's Association's main function is to encourage families that have chosen to educate their children at home. We provide networking both locally and state-wide. Our main source of communication is through our newsletter. Our membership fee is \$15.00. Some of the things we support financially are: Spelling Bee, Geography Bee, Graduation, Senior Dinner, Choir, Band, Lobbying in Helena, Newsletter, State Convention, Advertising etc.

Besides your financial help, we as a group depend on volunteers. Please consider what your family can do to help this coming year. Circle what areas you would be interested in helping.
